STAIRWAY TO THE MOON

The Stairway to the moon in Port Hedland is a spectacular sight created when a full moon rises over the shoreline at low tide. As the moon rises over the horizon rays hit pools of water that have been left behind by the receding tide creating an illusion lasting about 15 minutes.

NOOGOORA BURR QUARANTINE

Noogoora burr is an introduced weed. It is poisonous at seedling stage & the burr is almost impossible to remove from wool
YOU CAN HELP PREVENT ITS SPREAD

- Pull out & burn any plants or burrs you find
- Check all clothing, camping & fishing gear for burrs before leaving the river

PERMISSION FROM PASTORALISTS MUST BE OBTAINED BEFORE TRAVELLING ON LEASEHOLD LAND
