The image shows the exterior of a building with light-colored vertical siding and a tan horizontal-slat roof. A large teal sign with white text is mounted on the wall. To the left, a blue metal frame with a curved roof stands over a ramp. A smaller sign is positioned at the base of the ramp. The scene is set outdoors under a clear blue sky with some clouds. A green fire hydrant and a trash can are visible near the building's entrance.
